"That the People's Store was not worthy of or

BUT TIME CHANGES ALL THING Those who ventured to "office" were masters of the field, and ation, and cropping out from all sides one could use big parts, by and vinous expenses.

The public was tired of these extortionate charges and his double dealers. They demanded a reform, and massed these tection when our little bark sailed out into the stream of expenses.

One Price! Cash Only! Plain Figures!

Flying at its mast head. It was tested, found not wanting solders seen the keeper and custodian of the people's confidence and root of it was like unto the problem of to-day. They were found to be benefit without returning one, and it was not long ere it was at it is being said to the Chinee to-day.

THEY MUST GO.

patronage from them and they have amore as high, and still others will go because their prices are so high, and their methods of business so ancient that old age we little vitality there is left in them.
